

**Application for Credit Transfer of Course Component** (please complete the form digitally)

Please, attach the following documents to your application:

- Course syllabus or equivalent description of the course you completed overseas valid for the semester/academic year when you were enrolled in the course.
- A certified copy of official transcript of records or study certificate (in the original language) that can be verified online and the name of the course(s) in English
- If your application is based on work experience (prior learning), attach a certificate of employment including a description of the duties that relate to the knowledge and skills you wish to be taken into consideration for credit transfer.

Further documents may be requested to assist the assessment process.
